

## **Tales and Tea**

*After a visit to the Sherman Theatre, Caerdydd*

Come with me, come with me,  
sparkle with our 'Tales and Tea',  
hear magic echo in your hearts  
as star performers explore parts;  
parts of you and parts of me  
in a warm, inviting matinee.

We'll drop the costumes, drop the lighting,  
drop the props, explore the writing;  
an extravaganza of the words  
as imagination's soaring birds  
in parts of you and parts of me;  
a warm, inviting matinee.

We'll dip cool country, rock hot city,  
serve up laughter, tackle gritty,  
journey inner-winner other space,  
platform new voices and embrace  
all of you and all of me;  
a warm, inviting matinee.

And when it's time to leave the stage,  
we'll share in foyer: tea and cake.
